- **June 3 and 4- Crazy Sunglasses and Crazy Hair**
- **June 5 and 6-Last Days of School-End of the Year Parties 11:00**

## Information:

- End of Year celebrations will start at 11:00. We will sing a few songs and pass out certificates. I hope you all can make it. There will be refreshments to follow.
- I just wanted to thank you all for allowing me to teach your children this year. These children are a great group of kids. I have enjoyed watching each of them grow over the school year. They have learned so much. I know that your children will be successful next year and in the future. Please know from the bottom of my heart that I love every child that is in my class. I will miss them dearly. I hope you and your family has a great summer and I look forward to seeing you all when school starts again. My door is always open. God Bless you all.
