

Mrs. Lisa's classroom news,

I can't believe this is the last week of school. The school year has gone by quickly. It has been a great year and I will miss all of your children.

Our class will be having an end of the year celebration on Wednesday, June 5th and on Thursday, June 6th. Families may join us at 11:00 to hear children sing a few songs, receive their Pre-K certificate and enjoy some snacks. There will be no extended day on Wednesday and no school on Friday.

This week we have some of their favorite activities for them to enjoy. We will play some games, water will be at the sensory table and watch a movie about the ocean. We will also write names, review of numbers/letters and review the teachings on the fruit of the spirit.
