

Mrs. Lisa's Classroom,

Beginning this week, we will have a weekly letter and number. Everyday children will be practicing writing. However, they will not be bringing a worksheet home every day. We practice writing using playdough, salt trays, chalk boards, magnetic boards, shaving cream etc. On Thursdays and Fridays a letter worksheet that children completed in class will go home. I will also be sending "homework" home, this doesn't need to be returned, it is just extra practice if you choose to work with your child at home.

Monthly Theme: God gave me feelings- This week's objectives; Children will be able to describe a time when he/she has had specific feelings.
