Enriching the Spirit, Developing the Mind, Preparing for the Future

A Note From the Director

This is such an exciting time...the sights & sounds of Christmas!!! It's so easy to get caught up in all the activities around us. We feel so blessed that, here at CrossCity Christian Preschool, we are able to remind the children about the real reason we celebrate Christmas – Jesus' birth. We pray that this holiday season will be a time of celebration for you and your family. Blessings for this holiday season and into the New Year!!!

Truth and Love,
Tammi Chapman, Preschool Director

December Curriculum

In December, all classes will learn "A Savior is Born." Our chapel lesson will be "The Christmas Story."

The three-year-old classes will learn about the color green, the star shape, one to one correspondence, and syllables.

The pre-kindergarten classes will study syllables, one to one correspondence, and cardinality.

Our Transitional Kindergarten class will concentrate on one to one correspondence and cardinality. They will also be working on syllables.

Isaiah 9:6

Christmas Program

Every year we look forward to our Christmas Program and making it memorable for every family. Even though this year may be different from past years, we hope we have come up with a way for everyone to stay safe and still make it memorable. On the 17th and 18th of December, each child will come home with a goodie bag with hot chocolate, candy canes, their own book on the birth of Jesus, and a private Vimeo link to the Christmas Program. This way, you can view it with your whole family at home. Filming for the T/TH classes will occur on December 10th, and filming for the MWF classes will take place on December 11th. On those days, we would ask you to have your child dress to impress for filming. If you would like to bring an extra change of clothes for playtime, you may bring them. We hope that you will invite your family and friends over for a special night to celebrate your child's wonderful performance.

January Tuition Payment

Because the students do not return to school after the Christmas break until Monday, January 6th, we will extend the tuition payment due date for January's tuition payment to Friday, January 10th. Tuition not postmarked or received in the preschool office by Friday, January 10th will be considered late, and a late fee of \$25 will be added to the tuition statement.

Christmas Service Project

Each year our wonderful PAC Parents choose a Christmas Service Project that gives our children and school an opportunity to bless others in need. This year it was decided that we would work with the Clovis High School Transitions Program. This program services low income families from the 9 feeder elementary schools and Jr. High to Clovis High. All you have to do is choose a tag off the tree in your child's classroom, purchase the item on your tag, and bring it back to your class by Dec. 11th. **Please wrap the gift and attach the tag.** Gifts will be delivered to those children the week of December 14th. If you have any further questions, please contact your teacher or your room PAC Parent.

Thank you so much for partnering with us during this cold and flu season by keeping your child home if you think they may be sick.
